

2017 - 2018 • St. Albans Country Day School ANNUAL GIVING FUND

(Acknowledging gifts received July 1, 2017 - June 30, 2018)

2017-2018 Highlights

- St. Albans hosted a Western Association of Schools and Colleges (WASC) accreditation site visit in the spring of 2018 to assess our curriculum, instruction and operations. We received a glowing report and full six-year accreditation with no interim visits required, the highest commendation possible.
- Google Expeditions virtual reality equipment was purchased thanks to forward-thinking parents at Pleasures of the Palate, permanently enriching our student curriculum to engage all learning modalities.
- After extensive research, St. Albans teachers and leaders selected new math curriculum of the following books and educational resources: Saxon Math; IXL Math; Bridges in Mathematics Number Corner; and Big Ideas, Courses 1-3.
- Students performed beautifully to rave reviews in three performances: The Untitled Pirate Play, Seussical the Musical, and Alice in Wonderland, Jr.

We Are Grateful to our Generous Donors!
